WELCOME TO *Butler County*

This past year has been like nothing any of us have ever experienced. As vaccines continue to roll out, we are hopeful that events and festivals will take place as planned, and that this year will be a time to experience all that was missed in 2020. We look forward to welcoming you as you reconnect with family and friends, or simply want to explore some new destinations to get your family out of the house in 2021. This past year has been very challenging for our small businesses, especially the food and beverage establishments and some of our Main Street retailers. I would encourage you to make a conscious effort to support these businesses this year like you never have in the past. We are all in this together to make sure these family businesses are here for years to come.

If there was anything positive that came out of this past year, it was the realization that Butler County is blessed with an abundance of outdoor recreation! Record numbers of users experienced the Rolling Prairie Bike Trail, pulled their travel trailer into one of our campgrounds, played a round of golf, or took a kayak out on the water. Interest in the barn quilt tour also increased dramatically in 2020 as it provided a safe opportunity to get out of the house by taking the self-guided driving tour.

For those coming to visit friends and family, I invite you to reacquaint yourself with your favorites, and also explore some of our new destinations. After your visit is complete, I encourage you to return, and consider making Butler County your home. After what we all experienced this past year, the

simple things, like care and concern for our neighbors, open outdoor spaces, and the general safer feeling found in our small communities is more important than ever. The ability to work remotely, a lower cost of living, or the vast job openings in a wide range of careers here in the Cedar Valley has made our region one of the most attractive and safe places to live, work, and raise a family!

I encourage you to follow our social media handle @livethevalley on Facebook, Instagram, Twitter, and LinkedIn to see for yourself how we “Live the Valley” in Butler County, and the entire Cedar Valley Region of Iowa. Be sure you share your experiences too! Check out www.livethevalley.com to see all that our region has to offer, plus you can use our handy “cost of living comparison tool” to see how much money you can keep in your wallet here in the Cedar Valley, compared to other cities in the United States!

We are only a phone call or email away to help with planning your visit, or for relocation assistance. Feel free to contact our office at (319) 267-2858 or send an email to butlergrundy@netins.net. We look forward to welcoming you to Butler County, “Iowa’s Outdoor Recreation Destination.”

The building was relocated to the courthouse square in Allison, and was the first attraction of the Butler County Historical Society. Volunteer retired school teachers help educate current school children from around the county on what it would have been like to get their education in a one room school. HISTORICAL LOG CABIN

Allison, Butler County Fairgrounds

Built in the 1850s, this was originally a two story log cabin and served as a stagecoach stop between Waterloo and Mason City in Coldwater Township southwest of the town of Greene. The cabin also served as the first hotel in Greene. Many of the logs are black walnut and were found to be firmly mortised into the adjoining log. In 1960 the log cabin was turned over to the Butler County Historical Society. You can visit it during the annual Butler County Fair, or by appointment by calling (319) 885-6279.

MEDITATION GARDEN

THE CITY OF GARDENS

The City of New Hartford has ten amazing parks and newly created public gardens. The Heritage Garden offers a glimpse into the past. The Four Seasons Perennial Garden is a great place to just relax and enjoy nature. The Fruit Tree Orchard was created after winning a nationwide contest sponsored by Edy's Fruit Bars and the Fruit Trees Planting Foundation. Designed by one of our own, the Veteran's Memorial Garden speaks for itself. This garden is a breathtaking salute to our country's heroes. The Community Gardens allow those yummy vegetables to be grown. The Town Square Gazebo Garden is a stunning place to hold a variety of events. It is especially beautiful for weddings. The Meditation Garden is designed to reflect on the past, present and future. It honors those lives lost in Butler County during the 2008 deadly EF5 tornado. The newest park is the Log Cabin Learning Center. This design is in remembrance of Joe Dennis' legacy. He would sit on his log cabin porch for hours playing his guitar, bringing in listeners of all ages. This new addition offers a meeting room, including restroom amenities and an outside fire pit surrounded by swings. The Family Park is another great place where horse play is encouraged. Packwaukee Park hosts a continuous stream of all ages showing off their volleyball, basketball, softball and baseball talents. It also accommodates the community events. Self-guided tour maps are available at each garden and outside City Hall. Private tours can also be arranged. All gardens and facilities are handicapped accessible, and restrooms are available. For more information call (319) 983-2548.

The New Hartford Woman's Club has established a Historical Room inside the library. Due to donations from local historian Vopal Youngberg, the room is filled with a wealth of information about New Hartford and the surrounding areas. New Hartford school yearbooks go back as far as 1917. There are many old photographs and newspaper clippings. Summer always brings visitors from across the U.S. looking for ancestors in our historical room.

MOORE'S ACCESS

29988 Trapper Road

Designed in 1997 as a walk in area only, Moore's Access provides access to Beaver Creek. A small open area located along the creek and walk in access make the area a good choice for beginning a backpacking trip. The stream allows good early-season waterfowl hunting as well as fishing for small mouth bass and catfish.

HELT MEMORIAL PRESERVE

32817 Spring Avenue, New Hartford

This 25-acre area was donated to the Conservation Board by the estate of the late Donald Helt. Placed in the CRP program in the 1980s, the area was primarily brome and timothy with a few cedar trees planted along one area. Since its acquisition, it has been enhanced with prairie grasses, a food plot, and tree plantings. These improvements have greatly increased the types and numbers of wildlife species using the area.

BUTLER COUNTY *Snow Snoops*

SNOWMOBILE TRAIL MAP

The Butler County Snow Snoops offer well groomed snow covered trails, fun, family oriented activities, and much more. Club rides are held locally as well as out of state, and meetings are held the first Wednesday of each month at area businesses. There are even canoe floats in the summer!

Interested riders do not have to live in Butler County to be a member. In fact, this club has members from several counties and many of them belong to more than one club in the area. Membership is \$25/single and \$30/family per year. This includes membership to the Iowa State Snowmobile Association.

If you are a snowmobile enthusiast, belonging to a snowmobile club is important. It's these clubs that line up, clear, mark and groom the trails for everyone to enjoy. Membership is key to keep funding coming in to the clubs to pay for grooming costs. If you would like to become a member of the Butler County Snow Snoops you can email: snowsnoops@butler-bremer.com.
