Welcome to Iowa's Outdoor Recreation Destination! Located in The Cedar Valley Region of Northeast Iowa, Butler County offers a variety of ways to experience the outdoors. From biking to kayaking, or a weekend of camping with the family, you can do it all right here. We also have some unique experiences that you will not find anywhere else, along with local dining, unique shopping, and fun events in our small communities. The close proximity to the larger cities of Waterloo/Cedar Falls and Mason City makes this the place that has everything you need!

As we hopefully continue to transition out of the pandemic, we look forward to welcoming you as you reconnect with family and friends. I invite you to reacquire yourself with our region, and also check out some of our new family friendly one-of-a-kind experiences. After your visit is complete, I encourage you to return, and consider making Butler County your home. The past couple of years has seen a significant growth in new business and industry in our county, with more new good paying jobs than

ever before. Recent investments in broadband by local providers has made this a prime location for those that can work remotely. A lower cost of living, and a safe environment to raise a family round out the reasons why now is the perfect time to make Butler County your home.

I encourage you to follow our social media handle @livethevalley on Facebook, Instagram, Twitter, and LinkedIn to see for yourself how we "Live the Valley". Check out www.livethevalley.com to see all that our region has to offer, plus you can use our handy "cost of living comparison tool" to see how much money you can keep in your wallet here in the Cedar Valley, compared to other cities in the United States!

We are only a phone call or email away to help with planning your visit, or for relocation assistance. Feel free to contact our office at (319) 267-2858 or send an email to butlergrundy@netins.net.

WELCOME TO Austinville

AUSTINVILLE HISTORICAL SOCIETY 13376 320th Street, Austinville

The society is located in the old Austinville Bank which was founded in 1911 through the leadership of Samuel L. Patterson with Walter G. Austin and Richard C. Bode. The bank building was built around 1916. This bank building has a unique history, and is referred to as "the most robbed bank in Iowa", enduring many robberies and attempted robberies before it closed. This is the one remaining structure of the original main street businesses from that time. It was one of the few banks that stayed open during the depression. Displays consist of early Austinville items from the local businesses. There is also an extensive inventory of histories, pictures, and written items to be read or viewed at the historical society.

There is usually a gathering of locals for coffee each Tuesday from 9-10 a.m. for reminiscing and current local news. Feel free to drop by for coffee and conversation.

Other times to view items are by appointment. Call any of the Historical Society board members. Board member numbers are posted in the entry to the building. Call Carolyn DeVries at (319) 347-2983 to set up a time to view items.

406 Packwaukee Street, New Hartford • (319) 983-2533

The Elizabeth Rasmussen Martin Memorial Library is located at 406 Packwaukee Street, New Hartford, Iowa. We are open Tuesday, Wednesday and Friday from 11 a.m. to 6 p.m., Thursday from 11 a.m. to 4 p.m., and Saturday from 10 a.m. to 2 p.m. Our website is: www.newhartford.lib.ia.us or find us on Facebook at Martin Memorial Public Library. Our phone number is (319) 983-2533.

Our children's room is a favorite with many books, a kid's computer, child-sized furniture and many movies for children. The Summer Reading Program is always a big event.

The New Hartford Woman's Club has established a Historical Room inside the library. Due to donations from local historian Vopal Youngberg, the room is filled with a wealth of information about New Hartford and the surrounding areas. New Hartford school yearbooks go back as far as 1917. There are many old photographs and newspaper clippings. Summer always brings visitors from across the U.S. looking for ancestors in our historical room.

MEDITATION GARDEN

THE CITY OF GARDENS

The City of New Hartford has ten amazing parks and newly created public gardens. The Heritage Garden offers a glimpse into the past. The Four Seasons Perennial Garden is a great place to just relax and enjoy nature. The Fruit Tree Orchard was created after winning a nationwide contest sponsored by Edy's Fruit Bars and the Fruit Trees Planting Foundation. Designed by one of our own, the Veteran's Memorial Garden speaks for itself. This garden is a breathtaking salute to our country's heroes. The Community Gardens allow those yummy vegetables to be grown. The Town Square Gazebo Garden is a stunning place to hold a variety of events. It is especially beautiful for weddings. The Meditation Garden is designed to reflect on the past, present and future. It honors those lives lost in Butler County during the 2008 deadly EF5 tornado. The newest park is the Log Cabin Learning Center. This design is in remembrance of Joe Dennis' legacy. He would sit on his log cabin porch for hours playing his guitar, bringing in listeners of all ages. This new addition offers a meeting room, including restroom amenities and an outside fire pit surrounded by swings. The Family Park is another great place where horse play is encouraged. Packwaukee Park hosts a continuous stream of all ages showing off their volleyball, basketball, softball and baseball talents. It also accommodates the community events. Self-guided tour maps are available at each garden and outside City Hall. Private tours can also be arranged. All gardens and facilities are handicapped accessible, and restrooms are available. For more information call (319) 983-2548.

MOORE'S ACCESS

29988 Trapper Road

Designed in 1997 as a walk in area only, Moore's Access provides access to Beaver Creek. A small open area located along the creek and walk in access make the area a good choice for beginning a backpacking trip. The stream allows good early-season waterfowl hunting as well as fishing for small mouth bass and catfish.

SCHOEMAN NATURE AREA

29752 Highway 57

Schoeman Nature Area is a wetland/upland complex, which includes a variety of cool season grasses and wetland vegetation. The area boasts two shallow ponds and a wetland with mowed hiking trails throughout. Habitat improvements have included establishment of prairie, oak savanna and wildlife food plots. You will also find an approximately 300 foot raised boardwalk to get you above the wetland for wildlife viewing.

HELT MEMORIAL PRESERVE

32817 Spring Avenue, New Hartford

This 25-acre area was donated to the Conservation Board by the estate of the late Donald Helt. Placed in the CRP program in the 1980s, the area was primarily brome and timothy with a few cedar trees planted along one area. Since its acquisition, it has been enhanced with prairie grasses, a food plot, and tree plantings. These improvements have greatly increased the types and numbers of wildlife species using the area.

BUTLER COUNTY

SNOW SNOOPS

The Butler County Snow Snoops offer well groomed snow covered trails, fun, family oriented activities, and much more. Club rides are held locally as well as out of state, and meetings are held the first Wednesday of each month at area businesses. There are even canoe floats in the summer!

Interested riders do not have to live in Butler County to be a member. In fact, this club has members from several counties and many of them belong to more than one club in the area. Membership is \$25/ single and \$30/family per year. This includes membership to the Iowa State Snowmobile Association.

If you are a snowmobile enthusiast, belonging to a snowmobile club is important. It's these clubs that line up, clear, mark and groom the trails for everyone to enjoy. Membership is key to keep funding coming in to the clubs to pay for grooming costs. If you would like to become a member of the Butler County Snow Snoops you can email: snowsnoops@butler-bremer.com.

LIFE ISN'T LINEAR.

It endlessly compels us to partake in the human spirit of exploring, creating, growing and building.

Looking forward is what we've done since 1902 so you can be in the present—experiencing and shaping the moments that matter.

Keep it simple.
Keep it personal.
